

1 (D) REMARKS

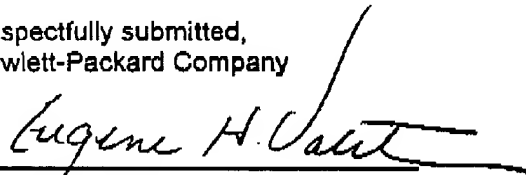

2 The Action reiterates a previous allegation under the judicially created doctrine of
3 obviousness-type double patenting in view of applicant/assignee's own U.S. Pat. No.
4 6,556,470 B1 (Vincent '470 hereinafter). While applicants respectfully and strongly
5 disagree, and incorporate all arguments previously filed (See Amendment A, May 25,
6 2004), a Terminal Disclaimer filed herewith makes the issue moot.

7 It is respectfully requested that the rejection be withdrawn.

8 Questions or suggestions that will advance the case to allowance may be directed to the
9 undersigned by teleconference at the Examiner's convenience.

10 Date: SEPT. 21, 2004

11 Respectfully submitted,
